Surplus of High Grade Seeds

Offered by

FORREST SEED CO., Inc.

CORTLAND, N. Y.

Subject to being unsold on Receipt of Order

Having a surplus over our requirements for the season of 1916-17 we offer the following Seeds at prices we think reasonable, considering conditions at home and abroad. The Seeds we offer are from the most reliable sources and not gathered together from indiscriminate growers to offer to the trade. All Beets, Radish, Turnips, Spinach, etc., are European grown. Tomatoes, Peppers, etc., New Jersey grown. We have not considered price at the expense of quality. Furthermore all our European Seeds are 1915 crop, of good germinature and will be shipped in original bags, or sacks, when 100 lbs. or more are ordered.

"But we give no guarantee, express or implied."

TERMS—2 per cent cash, or 60 days' acceptance. Bags at value.

Yours very truly,

THE FOREST SEED CO. INC.
